

# Participation in Food Preserving in DAKAR 2022

Eta'am Media Production - Jan 2022

## Introduction

إتعام  
بنك الطعام السعودي  
SAUDI FOOD BANK

Praise be to Allah the Exalted who granted us with graces - He who enabled us in SaudiFoodBank to do our national and humanitarian duty towards our society which He bestowed with an immense giving under the government of the loyal servant of the Two Holy Mosques and His Highness, the trustworthy Crown Prince, may Allah protect them, and under the generous care that the Social development sector enjoys in our blessed country.

In this favorable environment, "Eta'am" society, in light of its daily logistical operations, has not ignored to fulfill the call and participate in the social and National Development through the "Saudi Dakar Rally 2022," in which the "Eta'am" society participated by preserving surplus food from all the buffets set up on the sidelines of the rally.

On this occasion, "Eta'am" extends its sincere thanks and appreciation to His Royal Highness Prince Abdul Aziz Bin Turki Al-Faisal Bin Abdul Aziz, Minister of Sports, for the great support enjoyed by the Dakar Rally, and this regard the thanks goes to the Ministry and its officials, and we are glad to extend our sincere congratulations for the success of the rally in its most marvelous and huge attendance.

Please accept our best regards

**Faisal Mohammed Al-Shoshan**

CEO

## OUR VISION

To keep Eta'am the global pioneer in providing appropriate food to beneficiaries through a professional work system.

## OUR MISSION

Supporting partnership and awareness among the spectrums of society by preserving blessings and attracting resources to provide adequate food for the beneficiaries and towards achieving the concept of social solidarity.

## OUR OBJECTIVES:

- Providing food support to beneficiary families and people with limited income.
- Providing assistance to those who are exposed to accidents and those who are about to get married in accordance with the specified frameworks.
- Contribute in preserving food resources from wastage and to get the maximum benefit from food excess.
- Contribute in achieving food security by providing sustainable food to the beneficiaries.
- Encouraging studies and researches that serve the goals specialized in the field of food.
- Innovation in providing the latest professional operating models in the non-profit sector.
